## PUBLIC NOTICE

**SUBJECT: Home and Community-Based Services (HCBS) Rule: South Carolina Statewide Transition Plan**

The South Carolina Department of Health and Human Services (SCDHHS) gives notice that the revised draft Statewide Transition Plan, required per Centers for Medicare and Medicaid Services (CMS) Home and Community-Based Services (HCBS) Rule (42 CFR 441.301(c)(6)), is available for public review and comment. The revised South Carolina Statewide Transition Plan will be submitted by or on Oct. 28, 2016. It will be effective upon CMS approval.

The following is a summary of the revisions made in the draft Statewide Transition Plan (last submitted March 31, 2016):

### **Communication and outreach, renumbered section 2**

- Update provided on this public notice and comment period for the Aug. 17, 2016, draft of the Statewide Transition Plan (page 7).

### **Assessment of system-wide regulations, policies, procedures, licensing standards and other regulations, renumbered section 3**

- Systemic Crosswalk reformatted to include language that indicates compliance or non-compliance, remediation actions and timelines for those actions. It is no longer Appendix B but incorporated into the narrative (pages 9 – 27).
- All residential setting self-assessment information moved together to sections 3.5–3.8 for easier reading.
- “Ongoing Compliance of System” has been expanded to provide greater detail on ongoing compliance actions (page 30).

### **Assessment of settings, renumbered section 4**

- Updated section 4.2 to include beneficiary survey and family survey information (page 35).
- Updated the timeframe for when individual site visits will occur (page 37).
- Under “Outcomes,” updated the setting types estimated to fall into each of the HCBS Compliance Categories to delineate “AAC, WAC and Unclassified” day program types (table, page 38).
- “Relocation of Waiver Participants” section added current estimated number of beneficiaries that will need to be relocated from non-compliant settings (page 41).
- The timeline for the relocation of waiver participants was clarified (page 42).
- “Ongoing Compliance” has been expanded to provide greater detail on ongoing compliance actions for HCBS settings (page 43).

**Heightened Scrutiny, renumbered section 5**

- Clarified in section 5.1 the criteria to be used to determine which settings will be subject to the Home and Community-Based (HCB) Settings Quality Review.
- Section 5.8, “next steps” includes a new introductory section that identifies what information will be used in the review of settings that go through the Quality Review Process. This information will help SCDHHS determine which settings will be submitted to CMS for their Heightened Scrutiny review.
